DETAILED ACTION

Drawings

The drawings filed December 10, 2003 are acceptable.

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance:

In an adhesive tape applying method and apparatus, the prior art does not teach or make obvious the concept of the vibration generating means including a swing arm pivotally connected to a connection end of the tape applying means and having an applicator roller attached to a free end of the swing arm remote from the connection end in the manner claimed by the applicant.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
